Online Reservation System

A fully functioning reservation system available for those who manage vacation rentals.

Automated Availability Calendar

When renters book your property the calendar is automatically updated.

Custom Owners Listing Page

Custom template for your owners listing pages.

Affiliate Program / GRX

Earn more income, rent your property more often. Join the GRX network.

Contact/Customer Manager

Manage customers with integrated contact management tools.

Marketing System

Staying in contact with your guests is the number one way to ensure your renters will return.

Online Contract & Agreements

Online contractual Terms and Conditions approve by renter before booking.

Automated Email Notification

Reservation details are automatically sent to the renter along with Terms and Conditions.

Online Credit Card Processing

Merchant Service which allows up to 70% more renters to book your property online.

Optional Fees & Services

Give your renter the ability to decide if they want to use additional services you can now offer.

Private Domain Registration

Your own private domain name for your custom website. This will enable you to use GOOGLE ANALYTICS.

Custom Management Web Site

Multi page web site that you can easily customize with our built in website editor.

Owner Referral Program

Refer an owner to SearchStay.com and receive 1 FREE months added to your subscription.

Integrated Accounting / Guest Payments

Track guest payments and generate required tax reports automatically.

Coupon / Booking Agent Codes

This section will allow you to create COUPON CODES that renters can use at the time of booking.

Travel Insurance

Renters can safeguard their trip investment if they must cancel or interrupt their trip for covered reasons.

Damage Insurance

Insure your property against inadvertent damage during your renters stay... \$1500 to \$3000 in coverage available.
