

We get many requests for donations. Although we would love to give to every charity that asks for donations, we have to limit ourselves to two aid organizations per year. Our main contributions are given to SAY Soccer which leaves one charity. Like SAY, all agencies asking for charity must have a non-profit status and not have working members funding the field organization.

*Due to a past incident, we do not offer free web services, free use of purchased domains, hosting or free web sites to any private business, agency or state park organization.*

If you are wishing to receive a donation, please fill out the form below and mail it 60 days before the charitable event to:
